

YAGER BROS.

Attention: Zavcor Training Academy Graduates

As a growing family owned and operated trucking company, we strive to provide exceptional service to our customers all over Ontario and the United States. Our employees and customers alike appreciate our well maintained and clean equipment as well as our commitment to work as a team to have every single load delivered successfully. We are always looking to add members to our team that will help grow that success to the next level.

Responsibilities:

- Operate all company vehicles and equipment as per Yager Bros. procedures, policies and according to all applicable legislation in a safe and efficient manner
- Accurately complete documents including pre/post trip inspections, timesheets, etc.
- Confidently use the e-log app "Big Road" via Smartphone or tablet
- Participate in our 1 weekend per month work rotation. This is one Saturday a month that generally keeps you local by pre-loading trailers for the following week. However, there is always more work if you would like to work more than your scheduled weekend (Hours permitting!)

What you will get from the role:

- Leading-edge fleet of newer tractors, trailers (dumps, hoppers, belts) and tankers
- Consistent work - we like to keep drivers on lanes that they enjoy running
- Competitive pay- This includes an overnight premium paid for each night spent in your bunk if the lanes (or unforeseen circumstances) require you to stay out as well as a weekend premium paid for volunteering to work a non-scheduled weekend
- The majority of our drivers are home every single night
- Personal monthly phone bill reimbursed for up to \$105.00
- Safety Boot Allowance
- Health and Dental Benefits
- Life Insurance
- Generous RRSP with company matching contributions
- Family atmosphere where your opinions and experience counts

What you need to be successful in the role:

- Valid AZ license
- Ability to cross into the United States
- Fast Card preferred
- Clean Driver's record
- Pre-employment drug and alcohol testing will be required
- Knowledge of dump trailers, live bottom trailers, hopper trailers and tankers preferred (You will be trained by our Yager Bros. in-house trainer on all equipment)
